

Chicago Area Chapter is now using PayPal

By Sean McNeely

It's almost that time again! All TMA memberships expire in just over a month on June 30th. In an effort to make paying your TMA dues as easy and as simple as possible, we have created a PayPal account that you can use to pay your dues. It's simple, it's easy, you can use your credit card, and it saves you a stamp!

Here are step by step (hopefully foolproof) instructions for how to do it:

1. Go to www.paypal.com
2. If you are already a PayPal user, you can opt to login at this time.
3. Click on Send Money
4. In the blue box on the right enter To: tmatreas@gmail.com
5. Enter From: "your e-mail address"
6. Enter Amount (\$40 for e-members, \$50 for snail mail of local newsletters)
7. Click Continue
8. If you are already a PayPal user and haven't signed in yet, login in the box on the right.
9. If you are new to PayPal (as I am – well, was) enter all your information and create a password. It takes all of 20 seconds.
10. Click Agree and Create Account
11. Review and Confirm your payment. Put any message you want with it.
12. Click Send Money
13. Check your e-mail. If you are new to PayPal, you will have 2 new messages. The first is a "Welcome to PayPal" e-mail that will also ask you to activate your account. The second will be a confirmation that your payment is sent. (It's okay to activate after the initial payment gets sent.)
14. You're done! Enjoy the rest of your day!

Beat the rush – pay now if you want! Then you won't have to get all my reminders saying you still haven't paid yet!
